

# NYSED Updates Office of Educational Design and Technology

Staff / Curriculum Development Network

September 24, 2021

New York State  
EDUCATION DEPARTMENT

Knowledge > Skill > Opportunity

# Updates

---

## **2022-2025 Instructional Technology Plans**

- New questions have been added to address the COVID pandemic and attainment of the goals laid out in the Statewide Learning Technology Plan.
- Due June 30, 2022

## **Digital Equity Data Collection**

- Transitioning to the Student Information and Repository System (SIRS) for the 2021-22 School Year.

# Learning Technology Grants

## Learning Technology Grant Conference- July 14-15

- Shared resources on how to effectively replicate a similar program utilizing LTG artifacts.
- All resources can be found on the [LTG webpage](#).
- Topics included personalized and blended learning through technology integration, culturally responsive instruction, and STEM education.

### Resources and Assistance for all NYS Educators

Each grant recipient in the 2018-2021 cycle made a commitment to share resources created using grant funding with all educators in New York State. Grant recipients are also committed to assist any NYS educator interested in implementing their Learning Technology Grant program or utilizing any of the published resources. This same commitment will be required of successful applicants for the 2021-2024 LTG cycle.

Links to the resources produced by LTG recipients can be found below. To find contact information, click on the name of the grant recipient to access their LTG home page. Resources are added on an ongoing basis. Check back periodically for updates.

### 2018-2021 Grant Cycle Program Focus and Resources

Grant Recipient	Program Focus	Resources
<a href="#">Auburn ECSD</a>	Personalized and blended learning through technology	<a href="#">Program Video</a> <a href="#">Curriculum and Implementation Guidance</a>
<a href="#">Dunkirk CSD</a>	Personalized learning and technology integration	<a href="#">Program Video</a> <a href="#">Conference presentations and professional development documents</a>
<a href="#">Eastern Suffolk BOCES Consortium</a>	STEM Personalized learning with digital technology	<a href="#">Program Video</a> <a href="#">Professional Development and other resources</a>
